RAFFLE

Drawn 13th June 2011

Nulla Nulla Red Cedar

Nest of Tables

Locally handcrafted out of the richly textured, fragrant red cedar tree grown on Slim Dusty's boyhood home.

The tree, grown by a creek in the property was 300 years old and had ceased to thrive...but continues it's life in this fine example of craftsmanship

The nest of three tables come with Slim's image as a decal on the underside of the glass of the table, a plaque in the smallest table stating authenticity, and also a Certificate of Authenticity as being part of The Nulla Collection.

Raffle Tickets only \$2.50ea and are available on our general store www.slimdustycentre.com.au or by

phoning 1800 18 SLIM.

A ROSE FIT FOR A KING

A brand new rose, bearing the name of Australia's King of Country Music was officially launched on March 24th 2010, at the Melbourne International Flower & Garden Show.

The Slim Dusty Rose is a beautiful rose bush with a rich golden orange colour with copper bronze toning, with healthy copper green disease resistant foliage and fragrant blooms, that blend with the outback colours of Slim's beloved Australian bush.

Developed by Landsdale Rose gardens on Perth, this compact Floribunda grows to 900mm by 750mm. It is ideal for garden beds or borders and makes for spectacular mass plantings.

Part proceeds from the sale of every rose bush will be donated to the Slim Dusty Foundation Ltd,
Trustee of the Slim Dusty Museum Trust Fund
ABN 90 233 070 202.

To Slim Dusty Rose will be sold in pots from Plantworld Nursery Mart Landsdale, WA. You will also be able to order the Slim Dusty Rose in pots through your local nursery.

SLIM DUSTY SINGS

Slim Dusty's debut album "Slim Dusty Sings" was originally released by EMI Records on vinyl LP back in June 1960. To commemorate the 50th anniversary of the historic Australian album, Tyrrell's Wines and the Slim Dusty Foundation Ltd have combined to celebrate the milestone with the 2010 release of this very special 2009 Edition Hunter Semillon and 2007 Hunter Shiraz. Both wines, with cellaring, will further age and develop

Hunter Semillon The great soil moisture from the previous growing season meant that the vineyard saw its best season in many years. The nose show fresh citrus and floral characters and the palate is dominated by citrusy lime characters of the 2009 Semillon.

Hunter Shiraz The best red vintage in the Hunter valley for nine years has resulted in a deep purple-red colour, aromas of ripe berry fruits and subtle savory spice. These characters then flow richly onto the palate, with plush sweet fruit balanced by the acid and tannin, resulting in a classic 2007 Hunter Shiraz.
