

26th March 2020

To all of Slim's mates around Australia,

Today the Slim Dusty Centre has closed its doors indefinitely in line with the important community need to stop social gatherings and slow the spread of COVID-19 as per the Federal Government regulations.

We know businesses and communities all around the country are being hit hard by closures and job losses and we are no different. We have had to stand down all our loyal and hard working staff and volunteers – a heartbreaking decision for us all.

On behalf of Joy, Anne, myself and all of Slim's family, we cannot put into words our gratitude and respect for all the love and support we have received in the journey to build and run the Centre – we could not have done it without you.

Whilst the immediate future remains unclear our resolve to re emerge remains. Our message to everyone is to stay home and stay safe:

"Things are bad but they could be worse – so we'll see how we go with it Mate"

Dr David Kirkpatrick MBBS FACEM Chair Slim Dusty Foundation.
